Dear Friend,

For the past 17 years Art2Heart has been using the arts as a tool to help young people make better choices in their lives. We must admit we are not alone in this great task and we often look to the community to help us accomplish our goals and mission. As you may or may not know, we provide young people with awesome opportunities to experience the arts in a way that promotes good character building while enjoying the “creative process” of the Arts.

It has been a year now since our new MOVE to the Kerr Arts Cultural Center (228 Earl Garrett) in Kerrville. What a GREAT FIT! Please come check out our new Digs! In addition, our program “Art After Dark” at the BT Wilson 6th Grade campus and our weekly dance classes are both doing extremely well!

And of course, it’s “MOTOWN” time again. Motown is our yearly Fundraiser we conduct to help us reach our financial goals. This year the event will be 6:00pm, Friday, March 27th and as before it will be at St. Peter’s Church Tucker Hall, 320 St Peter Street, Kerrville, TX, 78028.

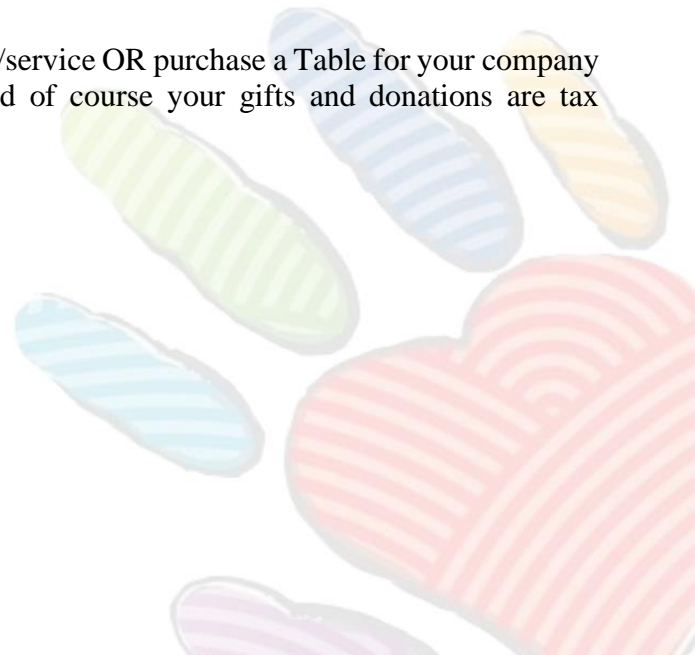

At this event, we not only provide our guests with a great meal and live music, but the opportunity to purchase some awesome items at our Silent and Live Auction. The items that we have on display are usually of high quality and our patrons look forward to them every year.

What a great way to add exposure to your business and give at the same time! However, we know that oftentimes companies get bombarded with these kinds of requests and making that choice can become challenging. We assure you that Art2Heart’s solid reputation gained by serving our community for 17 years is a great place to start with your giving.

We would greatly appreciate it if you would donate a product/item/service OR purchase a Table for your company or business. Art2Heart is a nonprofit 501(c) 3 organization and of course your gifts and donations are tax deductible.

Sincerely,

Lorraine LeMon
Executive Director
